

“Monsters in my Head”
A song by Ellen Therese
All rights reserved.

Verse 1:

Wake me up
From this nightmare I've been living in
Could you take me up a couple pegs
Cause these monsters in my head
Are getting out of hand

Verse 2:

Just one more last step
Towards the happy life I've been told I'd find
I would walk a thousand next to you
If it got me closer to
Being as free as you

Bridge:

I see the beauty in everything I find
So please excuse me if you're ugly is just not really my type

Chorus:

I am the storm against evil forces
I am the shield that no man can see
I will not sit while darkness still rises
I will set myself free
By just loving me

Verse 3:

God I know you're there
Do you hear me when I scream your name
I keep learning no ones coming dear
Yes these monsters in my head
I hear them loud and clear

Verse 4:

It's only a matter of time
Before I look back and my life's flown by
I won't wait until it's too late to apologize
These are my best and brightest years
I'll just embrace my fears

Bridge Repeat

Chorus Repeat
